October 2, 2019

Dear Sponsor,

On Tuesday, December 3rd, 2019, the West Jefferson County Community Task Force (WJCCTF) and the National Association for the Advancement of Colored People (NAACP) will be hosting its 4th annual Environmental Justice (EJ) Conference, **‘Climate Change, Environmental Justice – Investing in Our Future.’**

The conference will be held at Simmons College of Kentucky, 1000 South 4th Street Louisville, Kentucky. We will discuss environment impacts to our everyday lives—with a focus on climate change, environmental justice and the issues faced by many Louisville communities.

We would like to continue having free admission to the EJ conference for attendees. We need strong support from local businesses, leaders, local government, and community organizations. With your support, the WJCCTF and NAACP can provide valuable resources and information to the community. We invite **you** to support our efforts by becoming a sponsor. A \$500 sponsorship includes the following benefits:

- One exhibit table to showcase your business or organization
- Four tickets for staff attendance
- One page advertisement in the EJ Conference program*
- Access to more than 80 attendees
- Participation in an interactive forum conducted by community leaders, healthcare professionals, educators, and representatives from Louisville Metro Government
- Valuable networking opportunities

We look forward to a great conference and hope you can join us in making it a success. For more information, please contact Arnita Gadson, WJCCTF Executive Director at 502-645-3588.

Thank you in advance for your time and consideration.

Sincerely,

The WJCCTF Board
